

# STAT 111: Mathematical Statistics II

DAVID YANG

Spring 2024

## Abstract

These notes arise from my studies in STAT 111: Mathematical Statistics II, taught by Professor [Phil Everson](#), at Swarthmore College, following the material of Munkre's *Topology*. I am responsible for all faults in this document, mathematical or otherwise. Feel free to message me with any suggestions or corrections at [dyang5@swarthmore.edu](mailto:dyang5@swarthmore.edu).
